

**Master of Science in Architecture**  
**Facilities Management (71184)**  
**School of Architecture and Engineering Technology**  
**Division of Architecture**

This industry-responsive graduate degree is a cooperative between the FAMU School of Business & Industry (SBI) and the School of Architecture & Engineering Technology (SAET). The International Facility Management Association (IFMA) Facility Management Accreditation Commission (FMAC) accredited degree admits students with any undergraduate degree from a regionally accredited college or university. The Division of Architecture in the SAET is a Limited Access Program (space is limited) and additional admission exercises required. Not everyone meeting minimum requirements will be able to enroll. To apply submit the Graduate Admission Application and submit all documents via the School of Graduate Studies admission portal:

- A GRE score and a 3.0/4.0 GPA in last 60 hours of the undergraduate degree
- Professional Resume & Professional Statement
- Three References
- Official final transcript showing the undergraduate degree
- International applicants will also need to submit TOEFL Scores. International applicants are also advised to have their transcript reviewed by an education evaluation service such as World Education Services (WES)
